

HIGH QUALITY BRAZILIAN RICE

ABOUT US

With more than 25 years in the market, Arrozeira Pelotas has become a reference in the commercialization, production, drying, storage and export of rice. With two high-tech industrial plants and large-scale production capacity, the company is always looking for continuous improvement to always meet market demands.

With a solid association with rural producers and with own production, we maintain our socio-environmental responsibility and guarantee product the entire year, with the same high-quality, providing white, parboiled, brown white and brown parboiled in different varieties and with the option without fungicides and to be dried without smell, in different sizes and brands.

We maintain our family essence, with a personal commitment with customers, always working closely and with dedication, maintaining our essence of delivering high quality rice and building customer loyalty.
